Living the Gospel by supporting isolated seniors

Seventy-two-year-old Marta, recently widowed, moved from Argentina to live with her son and daughter-in-law in Toronto. Still grieving, she become a recluse in the house. At her family's encouragement, Marta started attending the Golden Age group at St. John Paul the Great Family Centre, a ShareLife-funded agency. Here she developed new friendships and loved interacting with the joyful religious sisters who run the program. Her love of life restored, she is now so active that her family asks why she is so often out of the house!

Please make a sacrificial gift to ShareLife through your parish or sharelife.org

Church Opening Protocol

– Please Read Carefully –

We have all heard the wonderful news that the Ontario government has allowed for the opening of churches and places of worship. What does this mean for us ordinary believers? Well, this permission is subject to many conditions that must be met and adhered to. The most important is social distance, i.e. a space of two meters from one another on all four sides. This regulation significantly limits the number of people who can enter the church.

The **Chapel of Perpetual Adoration** is now open and regular adoration schedule has resumed. Maximum 6 people can be present in the chapel.

Our church is open and the faithful can begin to participate in Mass. As always, social distance must be observed. **Inside the church, only seats marked with yellow tape may be occupied.** Please note that occupancy of the church building is significantly reduced. The maximum capacity is as follows: main church – 90; choir loft – 65; hallway – 35; parish hall – 110.

Please note that only the entrance beside the Oblate cross is open. Volunteers will keep count of the faithful as they come in for Mass and direct them to their seats. The parish hall has been transformed into a church, Mass is being broadcast directly from the church upstairs, and priests come down to distribute Holy Communion. Others may participate in Mass by staying in their cars in the parking lot. It is strongly recommended that all faithful wear protective masks in the church at all times. Only one altar server (or siblings), one lector, and Eucharistic Ministers may serve at Mass.

For the **Sacrament of Reconciliation**, a distance of 2 meters is also required. Unfortunately, our confessionals do not meet these requirements. Therefore, confession will only be available on weekdays from 6 p.m. to 7:30 p.m. in the new Catechetical Centre in Sr. Faustina Room, St. Eugene Room, and Br. Anthony Room. As soon as all restrictions are lifted, we will organize confession with the presence of many priests. Face masks are mandatory during confession. Please be patient to receive the sacrament of reconciliation.

During the pandemic, in all churches in Ontario and in Canada, **Holy Communion** can only be received on the hand. There are absolutely no exceptions in this respect. Also, there will be no music in the church for the next few weeks. The organist will play, but there must be **no singing**. Parish bulletins will also not be printed; they will only be available online.

Funerals and weddings may again take place in the church in the presence of family and friends. **Baptisms** are to take place outside of Mass.

Families who wish to have their child receive **First Holy Communion** on a weekday at the 7 p.m. Mass are asked to call the parish office and sign up for a particular date. We have been given permission from Cardinal Collins for individual First Communion on weekdays.

We would like to remind you that during the pandemic, we have been granted **dispensation** from physical participation in Mass in the church. However, we are still obliged to participate in it through the media. If you feel sick or weak, if you have a fever or cough you should not come to church at this time. It is understandable that not everyone will be able to come to church right away because of the limited space. Mass is still being livestreamed online.

Brothers and sisters, our personal and spiritual lives are slowly returning to normal. We still have to get through the next few months, which is why I am asking you for patience, understanding, mutual respect, and compliance with the requirements of the Ministry of Health. We have received a clear warning that churches that do not adhere to the above-mentioned requirements will be closed again. Together, we can get through this difficult time.
