

## August: Abstinence from Alcohol

„Voluntary abstinence from alcohol, undertaken by adults in August, is a powerful testimony to the concern for sobriety of our friends, family, and community. It is also a valuable example for children, showing them that one can enjoy life without substance abuse.”

Bp. Tadeusz Bronakowski  
Polish Bishops' Conference

**If you're willing to refrain from consuming alcohol in August, consider signing your name in a special book located beside the Relics Altar.**

## Reflection

Today's readings warn us about greed. Greed is a consequence of original sin. It is one of the seven deadly sins and, for some, perhaps the deadliest. As Paul teaches us, greed is a form of idolatry, replacing God with money or other earthly possessions. The greedy seek happiness in these possessions. Even the poor can be greedy if they believe they would be happier if they simply had more.

In reality, greed leads to terrible loneliness, emptiness, and misery. The greedy are never satisfied, as they place their hope in a false god. Money or possessions can never satisfy us, as they will never be enough. The truth is we are made for so much more. God is our father, and we are his children. In God alone will we find meaning and purpose for our lives. In him alone will our hearts find rest. In him alone will we find fulfillment and happiness.

Let today's readings be a reminder to keep our priorities straight. God understands that we need certain possessions for our lives on earth. However, let us not set our hearts on these things or make them our priority. Put God first, and we will be amazed at how he takes care of all the little things. Ask him for a grateful and generous heart, and he will not disappoint.
