

*Do not fear,
only believe.*

Mark 5:21-43

Reflection

The faith of Jairus is inspiring. He believed Jesus could heal his daughter and sought him out for her physical healing.

To receive physical healing is a great gift. How much more does the Lord desire our spiritual healing so that we can receive God's salvation which has been won for us by our Lord Jesus Christ. Our freewill acceptance of God's love snatches us out of a destructive domain and takes us into the land of the living, where we will have a life-long journey towards holiness.

In tandem with spiritual healing is another kind of healing: inner healing, which can be found when we seek God in prayer. If we are candid with our Lord about what is going on in our hearts and ask him to ease our fears, hurts, burdens, poverty, and inadequacy, he will heal us and bless others through us. As we let God purify and sanctify us, our spirit will in time become pure and we will want to love only him, the Creator. Then we can be effective instruments of God's healing, peace, and power.

Let us pray that God in his divine love will increase our faith in him and give us the grace to persevere in loving him and serving others for his sake.

Summer Attire

Although the summer weather can be hot, we are all grateful for a time of rest and relaxation. The coming months might best be characterized as "casual". However, we respectfully ask that all parishioners make an effort to dress appropriately for the Sunday Eucharist. Our respect for the Lord and the other members of Christ's body requires that we dress appropriately. Please also remember to turn your cell phones off as you enter the church and deposit chewing gum in garbage bins.
